6. Governance, Leadership and Management

6.1.State the Vision and Mission of the institution

Vision:

To provide higher education to the young women , nurture their hidden talents, help them bloom full in life, rise to the higher altitudes in social strata, groom them to become worthy citizens of democratic India and realize their own role in family and nation building.

Mission :-

- To impart best education in Science, Arts and Commerce at undergraduate level.
- To create a safe, secure and academic environment in the college campus .
- To bring out the best out of the young women.
- To make them self confident and self reliant individuals.
- To inculcate secular, democratic, progressive outlook among the young women.
- To groom them as the future leaders of the country

6.2. Does the Institution have a Management Information System?

Though there is no such formal ' management Information system' in place, the institution has other means of maintaining communication and planning. The head of the institution conducts regular staff meetings to discuss various issues, interacts with the students to know their needs and requirements. The information collected from all the stake holders plays a crucial part in the development of the institution. We are able to perform better and move towards fulfilling our vision and mission

6.3. Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

This is an affiliated college. The curriculum is designed and developed by the university. However, the faculty offer their feedback on the curriculum and their suggestions for modifications in various topics to the university. The UG education is in a transitional phase from year wise system to semester system and Choice Based Credit System (CBCS) with uniform syllabus in all universities in the state.

6.3.2 Teaching and Learning

The institution is committed to impart best education through learner centric methods of teaching. The faculty are doing their best to increase student talk time in the class room. The students are involved in class room seminars, study projects, field trips and PPT presentation. ICT equipment is used in the e- class rooms to teach various topics in a better and effective manner. Teaching learning activities are being made more interactive and practical oriented.

6.3.3 Examination and Evaluation

Most of the departments conduct formative tests on each topic taught. Monthly Achievement tests are conducted. The performance is evaluated. The progress of the students is monitored continuously. Personal attention is paid on the slow learners. All efforts made to achieve best results in the term examinations
